irina.panfilova@bakertilly.ua

The list of amendments

1. Law of Ukraine "On protection of the interests of subjects of reporting and other documents filing during martial law or war" as of 03.03.2022 #2115-IX (entered into force on 07.03.2022)
2. Law of Ukraine "On amendments to the Tax Code of Ukraine and other legislative acts of Ukraine on the peculiarities of taxation and reporting during martial law" as of 03.03.2022 #2118-IX (entered into force on March 7, 2022)
3. Law of Ukraine "On amendments to the Tax Code of Ukraine and other legislative acts of Ukraine concerning the validity of provisions for the period of martial law" as of 15.03.2022 #2120-IX (entered into force on March 17, 2022).
4. Law of Ukraine "On amendments to the Tax Code of Ukraine and certain other legislative acts of Ukraine concerning the introduction of differentiated rent payments for natural gas extraction" as of 15.03.2022 #2139-IX
5. Law of Ukraine "On amendments to the tax code of Ukraine and other legislative acts of Ukraine concerning the improvement of legislation for the period of martial law" 2142-IX as of 24.03.2022 (entered into force on April 5, 2022)

Submission of reports (except tax)

Postponement of the deadlines for submission of reports (except tax) the Law 2115

Individuals, individual persons - entrepreneurs, legal entities **submit accounting, financial, settlements, audit reports and any other documents** required to be submitted in accordance with applicable law in documentary and/or electronic form, **within three months after termination of martial law or state of war**

Liabilities and inspections

- administrative and/or criminal liability for failure to submit or late submission of reports and/or documents shall not apply to individuals, individual persons - entrepreneurs, legal entities during the period of martial law or war, as well as within three months after its completion;
- any inspections of the timeliness and completeness of the submission of any reports or documents of a reporting nature by the authorized bodies shall not be carried out during martial law or state of war;
- persons who do not have the physical capacity within 3 months after the abolition of martial law to submit reports or documents in connection with the direct consequences of their participation in military activities, are exempted from administrative and/or criminal liability and shall submit reports or documents within one month from the date of completion of the consequences that made it impossible to submit the reports or documents.

Submission of tax reports

**Possibility of tax reports submitting
within six months after the termination
of martial law in Ukraine
The Law 2118**

The deadlines are not postponed, the taxpayers are given by the possibility to submit tax returns within 6 months after the end of martial law without the application of penalties if they were unable to fulfill their obligations on time.

sub-clause 69.1 of sub-section 10 of transitional provisions of the Tax Code of Ukraine:

In case the taxpayer does not have the possibility to fulfill his tax duty in a timely manner (!), in particular, in connection to the compliance with reporting deadlines, taxpayers are exempted from liability under the Tax Code of Ukraine with mandatory obligation to fulfill such duties within six months after termination of martial law in Ukraine.

Other liabilities of taxpayers

**Possibility to fulfill other duties of taxpayers within 6 months after the end of martial law in Ukraine
The Law 2118**

- compliance with the terms of payment of taxes and fees,
- submission of reports,
- registration in the relevant registers of tax or excise invoices, adjustment calculations,
- submission of electronic documents containing data on actual fuel residues and turnover of fuel or ethyl alcohol, etc.

sub-clause 69.1 of sub-section 10 of transitional provisions of the Tax Code of Ukraine:

(!) In case the taxpayer does not have the possibility to fulfill his tax duty in a timely manner

Other liabilities of taxpayers

Questions about other possible violations of the Tax Code of Ukraine (except for timely submission of reports, payment of taxes and submission of electronic documents)

- In case the taxpayer does not have the possibility to fulfill his tax obligation in time, in particular..... etc.?
- taxpayers shall be exempted from the liability provided for in the Tax Code of Ukraine with the obligatory fulfillment of such obligations within six months after the termination of martial law in Ukraine

Obligations of payers (Article 16 of the Tax Code of Ukraine), in particular:

to keep records of income and expenses in the prescribed manner, to prepare reports on the calculation and payment of taxes and fees.

(?) Should this mean an exemption in respect of liabilities on errors occurred in the tax reporting during martial law, or for self-correction of errors in tax reporting during martial law?

Tax audits

Tax audits shall not start, and tax audits that have started shall stop, except for:

- Desk tax audits of tax returns or adjustment calculations (if submitted), to which an application for the budgetary refund (VAT) has been submitted, the indicators of which are formed on the basis of tax invoices and/or adjustment calculations compiled and registered in the Unified Register of Tax Invoices and/or customs declarations, with the exception of goods (products) specified in sub-clauses 215.3.1, 215.3.2, 215.3.21 and 215.3.31 of clause 215.3 of the Tax Code of Ukraine.
- Actual tax audits

(!) Penalties may be applied for violations detected during such inspections (except cases, specifically indicated in the law)

Other inspections (except tax)

Other inspections

During martial law or state of war, any inspections of the timeliness and completeness of the submission of any reports or reporting documents shall not be carried out by the authorized bodies (Law 2115)

Scheduled and unscheduled measures of state supervision (control) and state market supervision for the period of martial law have been suspended

(Resolution of the Cabinet of Ministers as of March 13, 2022 N 303)

(!) EXCEPT: carrying out of unscheduled measures of state supervision (control) in certain areas, in particular, to prevent uncontrolled growth of prices for goods of significant social importance, solely on the basis of a decision of the central executive body that ensures the formation of state policy in this area, in case of the presence of a threat that has a significant negative impact on the rights, legitimate interests, human life and health, protection of the environment and security of the State.

Other questions regarding liabilities

Statute of limitations period

For taxpayers and controlling bodies, the time limits set by the tax legislation and other legislation, the control over the observance of which is entrusted to the controlling bodies, are suspended.

Social security contribution

Penalties for violations for the payment of social security contribution shall not apply/accrue, and accrued shall be canceled for the period of martial law and for three months after the termination of martial law

Registrar of settlements operations

Penalties are not applied for violation of the order of settlement operations, except for penalties for violation of the order of settlements operations for excisable goods

Liabilities of State Tax Service

Exemption from compensation for damage caused by illegal decisions, actions or inaction of regulatory authorities, if the damage was caused by the legal regime of martial law or state of emergency

Corporate profit tax – voluntary provisioning

Transfer of goods for Armed Forces of Ukraine, for charitable purposes, free provision of services, provision of financial assistance

General rules sub-clause 140.5.9 of the Tax Code of Ukraine:

pre-tax financial result shall be increased by the amount of funds or value of goods, works performed, services provided, voluntary transferred during the reporting (tax) year to non-profit organizations entered in the Register of non-profit institutions and organizations on the date of such transfer, transfer of goods, works, services (except for a non-profit organization that is an association of insurers, if the insurer's participation in such an association is a condition of such an insurer activities in accordance with the law, and non-profit organizations to which the provisions of sub-clause 140.5.14 of the Tax Code of Ukraine apply), that exceeds 4 percent of taxable income of the previous reporting year

Transitional provisions:

Sub-clause 69.6 of sub-section 10 of Section XX of the Tax Code of Ukraine, adjustments established by sub-clause 140.5.9 of the Tax Code of Ukraine shall not be made on the amounts or values of special personal protective equipment, technical means of surveillance, medicines and medical devices, personal hygiene products, foodstuffs, items of material support as well as other goods, works performed, services provided according to the list determined by the Cabinet of Ministers of Ukraine, which are voluntarily transferred to the Armed Forces of Ukraine, the National Guard of Ukraine, the Security Service of Ukraine, the Foreign Intelligence Service of Ukraine and others, including transferred to special accounts opened by the National Bank of Ukraine for fundraising.

Corporate profit tax – voluntary provisioning

**Transfer to non-corporate profit tax payers and related parties
(no peculiarities at the time of martial law, general rules apply)**

- **General rules sub-clause 140.5.10 of the Tax Code of Ukraine:**

The pre-tax financial result shall be increased by the amount of transferred non-refundable financial assistance (voluntary provided goods, works, services) to persons who are not corporate profit taxpayers (except individuals who are taxpayers of personal income tax), taxpayers who are related parties (if the recipient of financial assistance (voluntary provided goods, works, services) declared a negative value of the object of taxation for the tax (reporting) year preceding the year in which such non-refundable financial assistance (voluntary provided goods, works, services), provided that such assistance was included in the costs for determining the pre-tax financial result), and taxpayers who are taxed at a rate of 0 percent

Corporate profit tax – destruction of assets

Destruction (damage) of inventories

- There are no features at the time of martial law
- Tax accounting = accounting

Destruction (damage) of fixed assets

The impact on taxation depends on accounting:

- impairment
 - writing-off
- **In case of impairment:** impairment costs are reversed for tax purposes by increasing the financial result (clause 138.1 of the Tax Code of Ukraine)
 - **In case of writing-off (liquidation):** the costs for tax purposes include the balance value determined in accordance with the requirements of the Tax Code of Ukraine (clauses 138.1 and 138.2)

VAT – destruction of assets

Destruction (damage) of inventories

Transitional provisions:

Goods (including fixed assets) purchased with VAT, destroyed (lost) due to force majeure during martial law, state of emergency are not considered as used in non-taxable VAT transactions or as transactions that are not connected to economic activities,.

Thus: reverse VAT in accordance with clause 198.5 of the Tax Code of Ukraine shall not be charged

Destruction (damage) of fixed assets

General provisions, clause 189.9 the Tax Code of Ukraine

the fixed assets that are liquidated due the destruction as a result of force majeure is not subject VAT.

Transitional provisions:

Identical to goods (fixed assets according to the Tax Code of Ukraine is treated as goods)

Thus: reverse VAT in accordance with clauses 198.5 and 189.9 of the Tax Code of Ukraine shall not be charged

(!) Important: correctly draw up primary and other supporting documents

Single tax 2% during martial law

General provisions

Clause 9 of Subsection 8 of the Transitional Provisions of the Tax Code of Ukraine (not Section XIV) General rules

Temporarily, from April 1, 2022 until the termination of martial law or state of emergency on the territory of Ukraine, the provisions of Section XIV (general single tax rules) of the Tax Code of Ukraine shall be applied taking into account the following features:

- The single tax of the third group can be used by individuals - entrepreneurs and legal entities, whose income during the calendar year does not exceed 10 billion hryvnias:
 - those that are already on the ST
 - new entities
 - entities on a general tax system
- Such persons shall not be subject to any restrictions on the number of persons in employment with them.

Clause 9 of Subsection 8 of the Transitional Provisions of the Tax Code of Ukraine defined certain peculiarities for third group of Single tax at 2%.

The Cabinet of Ministers has the right to determine the peculiarities of accrual and payment of the single tax (as for now additional features by the Cabinet of Ministers are not determined)

Single tax 2% during martial law

Corporate profit tax

Submission of corporate profit tax return

Corporate profit taxpayers (including taxpayers whose annual income from any activity for the previous annual reporting period does not exceed UAH 40 million) who:

- decided to move to a simplified system of taxation with special features of taxation
- or refused to use the special features of taxation

Submit a tax return on corporate profit tax for those (that) periods during the calendar year in which the payer was a payer of corporate profit tax

VAT - general issues

Submission of reports, registration of tax invoices for the period of martial law

- In case the taxpayer does not have the possibility to fulfill his tax duty in a timely manner, in particular, in connection to the compliance with reporting deadlines, submission of reports, register of tax invoices and/or adjustments for tax invoices, taxpayers are exempted from liability under the Tax Code of Ukraine with mandatory obligation to fulfill such duties within six months after termination of martial law in Ukraine.

Clause 69.1 of sub-section 10 of transitional provisions of the Tax Code of Ukraine

- For transactions for the purchase of goods / services for which suppliers have not registered tax invoice and / or adjustments to them in the Registrar of tax invoices, include to the VAT credit of the reporting period the amount of VAT paid (accrued) as part of the value of purchased goods / services based on available to the payer primary (settlement) documents drawn up (received) by the taxpayer for transactions for the purchase of goods / services in accordance with the Law of Ukraine "On Accounting and Financial Reporting in Ukraine".
- Within six months after the termination of martial law, payers are required to ensure the registration of tax invoice and / or adjustments to them.
- (!) the tax credit declared during martial law on the basis of primary (settlement) documents is subject to obligatory specification (adjustment) taking into account the data of tax invoice and / or adjustments to them registered in Registrar of tax invoices

Clause 38² of sub-section 2 of transitional provisions of the Tax Code of Ukraine

VAT accounting during martial law

Conclusions

1

VAT liabilities and VAT credit, which as of February 24 and until the end of martial law are not confirmed by tax invoices and adjustments to them in Registrar of tax invoices shall be reflected in the tax VAT returns on the basis of available primary (settlement) documents

2

for accounting of such transactions should be created separate sub-account

3

Within six months after the termination of martial law, VAT payers are required to ensure the registration tax invoices and adjustments to them

4

It is necessary to fill the table 1.1 "Information on the included amounts of VAT, specified in tax invoices not registered in Registrar of tax invoices on the date of filing the VAT return, to the amount of VAT liabilities for the reporting (tax) period" of Annex D1 to the VAT return (hereinafter - Table 1.1).

In the future, the data in this table will facilitate the registration of tax invoices and adjustment in Registrar of tax invoices

5

Within six months after the termination of martial law, taxpayers are required to specify the amount of VAT credit included on the basis of primary documents in accordance with the registered tax invoices and adjustment

VAT – Absence of reverse VAT (transition provisions)

For the period of martial law are not considered as used in non-taxable VAT transactions or as transactions that are not connected to economic activities (ie, VAT under clause 198.5 of the Tax Code of Ukraine is not charged), goods (including fixed assets):

- purchased with VAT, destroyed (lost) due to force majeure during martial law, state of emergency.
- purchased with VAT, transferred to state or communal ownership, including in favor of voluntary formations of territorial communities, as well as provided for the benefit of other persons for the needs of defense of Ukraine during martial law, state of emergency

(!) Important: correctly draw up primary and other supporting documents

VAT – transactions that is not considered as supply (transitional provisions)

For the period of martial law, the transfer of goods and services to the Armed Forces of Ukraine, the National Guard of Ukraine, the Security Service of Ukraine, the Foreign Intelligence Service of Ukraine, the State Border Guard Service of Ukraine, etc. is not considered as a supply of goods and services.

- except in cases when such transactions for the supply of goods and services are taxed at VAT zero rate
- the provisions of paragraph 198.5 of the Tax Code of Ukraine do not apply to such transactions.

VAT – exempted transactions

Temporarily, for the period of martial law, following transactions on importation into the customs territory of Ukraine and supply in the customs territory of Ukraine are exempt from VAT:

- Special personal protective equipment (according to a certain list)
- Medicines and medical devices according to a certain list
- Defense goods according to a certain list

VAT – exempted transactions

Temporarily, from April 1, 2022 for the period of martial law on the territory of Ukraine:

Shall be exempted from VAT - import of goods into the customs territory of Ukraine under the customs regime of import by business entities registered as single tax payers of the first, second and third groups, except for individuals and legal entities who have chosen the single tax rate specified in sub-clause 1 of clause 293.3 of the Tax Code of Ukraine (3% and VAT)

Shall be exempted from VAT - excise tax transactions on the import of individuals into the customs territory of Ukraine cars, trailers and semi-trailers, motorcycles, vehicles designed to carry 10 people or more, vehicles for the carriage of goods in customs import regime

Exemption from taxation does not apply to transactions on import into the customs territory of Ukraine of goods originating in russia

- **In addition to issues related to the rent for gas production, the Law also stipulates that:**
- Temporarily, until December 31, 2024, transactions for the provision of air transport services for domestic transportation of passengers and luggage (codes 51.10.11 and 51.10.12 of the State Classification of Products and Services DK 016: 2010) are subject to value added tax at a rate of 7 percent;

PIT - charity

As a result of 2022, a tax discount of no more than 16% of income

the amount of funds or the value of property transferred by the taxpayer in the form of donations or charitable contributions to non-profit organizations

the income of individuals during the legal regime of martial law, state of emergency shall not include

the amount (value) of charitable assistance paid (provided) by philanthropists, including philanthropists - individuals, international charitable organizations for the benefit of combatants, employees of enterprises, institutions, organizations involved in defense, individuals, living on the territory of the military activities or left such territory

Other rules on the absence of taxation of charitable assistance (clause 170.7 of the Tax Code of Ukraine)

targeted or non-targeted charitable assistance provided to a taxpayer who has suffered as a result of armed aggression of the Russian Federation during the legal regime of martial law, state of emergency (such assistance is distributed according to a special procedure)

(!) Important: primary documents must confirm the facts and transactions for which benefits are provided (including the status of persons)

PIT – fuel transfer

the income of individuals shall not include (clause 69.7 of the Tax Code of Ukraine)

The amount of reimbursement of the cost of the fuel spent on the provision of transportation services for the needs of the Armed Forces of Ukraine and territorial defense units is not included in the taxable income of individuals who provide such services.

PIT - sale of agricultural products

Amended clause 23 of subsection 1 of the Transitional Provisions of the Tax Code of Ukraine

Income received from the sale of an individual's own agricultural products in favor of a tax agent is taxed by the tax agent at the time of their accrual (payment) and is reflected by him in the tax calculation with the total amount

Temporarily, starting from April 1, 2022 and during martial law, the provisions of sub-clause 165.1.24 of clause 165.1 of the Tax Code of Ukraine shall be applied with the following features:

Income received from the sale by the taxpayer in favor of the tax agent of its own agricultural products grown, fattened, caught, harvested, manufactured, produced, processed and / or processed directly by an individual, are finally taxed by the tax agent at the time of their accrual (payment),

tax agents in the tax calculation, **reflect the total amount of accrued (paid) in the reporting tax period income received by individuals from the sale in favor of the tax agent of their own agricultural products and the total amount of tax withheld from them.** At the same time, the tax calculation shall not include information on the amount of a separate payment, the amount of tax accrued on it, as well as information on an individual - taxpayer who received income from the sale in favor of a tax agent of its own agricultural products.

Fuel: features

VAT rate - 0%

Transactions (until the termination of martial law) for the supply of goods for refueling or transport of state institutions and units, which are maintained at the expense of the state budget, for the defense of Ukraine, public safety and state interests

VAT rate - 7 %, excise rate - 0%

Temporarily, for the period of martial law, state of emergency, transactions on import into the customs territory of Ukraine and supply of gasoline, heavy distillates, liquefied gas, oil and crude petroleum products derived from bituminous rocks (minerals)

It should also be considered!

The amount of negative value determined for the relevant reporting (tax) period in accordance with clause 200.1 of the Tax Code of Ukraine, which includes the amount of tax liability for transactions taxable at the rate specified in the first paragraph is not subject to budget reimbursement . Amounts of this negative value are included to the VAT credit of the next reporting (tax) period.

Operations with excisable goods during martial law (including fuel)

Excise tax liability shall not be charged on excisable goods in case/that:

- forcible alienation or confiscation for the needs of the state in accordance with the Law of Ukraine "On transfer, forcibly alienation or confiscation of property under martial law or state of emergency", the value of which, in the future, will not be reimbursed to the taxpayer;
- transferred to the Armed Forces of Ukraine, voluntary formations of territorial communities, the National Guard of Ukraine, the Security Service of Ukraine, the Foreign Intelligence Service of Ukraine, the State Border Guard Service of Ukraine, the Ministry of Internal Affairs of Ukraine and other organizations specified in the Code, without prior or subsequent reimbursement
